Please ask one of the team to see the bottle labels for up to date information.

### Allergy Information

Scan this QR code to view our full allergen information.

If you have a food allergy, you should inform your server so we can provide information on ingredients which may cause an allergic reaction or intolerance and minimise the risk of cross contamination during the preparation and service of your food. The same equipment may be used to cook meat and non-meat products and multiple allergenic ingredients, therefore if you have a severe allergy we cannot guarantee that the food served is free from that allergy. Ingredients can occasionally be substituted or changed at short notice so please review the allergy information at the time of your visit and check with your server when you order.

As we serve nuts, we cannot guarantee that every product is 100% nut free or that there won't be traces of nuts around the centre, including at the lanes or course.

Adults need around 2000 kcal per day
