Allergy Information

Scan this QR code to view our full allergen information.

If you have a food allergy, you should inform your server so we can provide information on ingredients which may cause an allergic reaction or intolerance and minimise the risk of cross contamination during the preparation and service of your food. The same equipment may be used to cook meat and non-meat products and multiple allergenic ingredients, therefore if you have a severe allergy we cannot guarantee that the food served is free from that allergy. Ingredients can occasionally be substituted or changed at short notice so please review the allergy information at the time of your visit and check with your server when you order.

As we serve nuts, we cannot guarantee that every product is 100% nut free or that there won't be traces of nuts around the centre, including on the course.

The calories provided are based on the average serving size for the whole dish or drink as detailed on the menu, unless otherwise stated. We ensure that the calorie information provided is as accurate as possible and correct at the time of publishing, however some product variation may occur. Ingredients are occasionally substituted or changed which may affect the calorie information.
